

GREEN-R-PANEL BUILDING SYSTEM INC.
55 Administration Road, Unit #37
Vaughan, ON L4K 4G9

We sincerely appreciate the generous donation to Children's Wish Foundation by GREEN-R-PANEL, in recognition of your customers and vendors in delivering home systems all over North America.

It is difficult to put into words the excitement and joy these children express when their wishes come true. Children coping with life-threatening illnesses face challenges many of us can't imagine. Receiving a wish allows these special children and their families to take a break from the daily trials of hospital visits, treatments and pain.

Since our inception 25 years ago, Children's Wish has granted more than 15,000 wishes for children and their families and fulfills approximately 900 wishes annually – granting nearly 3 wishes every day – each being an individual adventure carefully structured to meet the needs of that particular child. We have never refused a wish to an eligible child. These accomplishments have been made possible because of support like yours.

Your kindness and financial participation in making wishes come true for hundreds of children is exemplary and demonstrates your company's willingness to give back to the community and share with other!

In the name of all of our wish children, we extend a heartfelt thank you for helping us continue our tradition of making dreams come true.

With every best wish,

E. Sandra J. Hancox
Director, ON Chapter
